

DEEPAL S05

Touch the Future

Deepal was created with one simple belief: the future of mobility should be as smart as it is human. As Changan's digital-first transportation brand, Deepal reimagines driving through the lens of possibility - building vehicles that are not just electric, but connected, intuitive, and alive with innovation.

At the heart of Deepal lies a revolutionary symbol - a seamless fusion of nature, humanity and technology. It's a beacon of limitless progress, guiding us toward an era where vehicles adapt to your lifestyle, speak your language, and respond to your needs.

From cutting-edge product design to personalized, intelligent in-car experiences, Deepal delivers more than just a drive - it delivers a digital journey. With every mile, we're building a low-carbon, deeply connected world powered by empathy, imagination, and technology.

Model may vary for individual markets.

MODERN, DEFINED

The Deepal S05 expresses **modern design** with clarity and confidence. Its **clean proportions, streamlined surfaces** and **precise detailing** create a composed presence on the road. Subtle illuminated accents signal its electric character without excess, resulting in a look that feels modern and quietly distinctive. This is design that doesn't seek attention, it earns it.

DESIGN WITH PURPOSE

PANORAMIC SUNROOF

Open to the sky, shaded for comfort.

18" ALLOY WHEELS

That enhance road grip and visual drama.

FRAMELESS DOORS

That enhance the vehicle's clean, uninterrupted profile.

ELECTRIC CONCEALED 4-DOOR HANDLES

For a sleek modern exterior.

LED DAYTIME

RUNNING LIGHTS

Announce your arrival with a bold, futuristic glow.

RED PULL-THROUGH TAIL LIGHT

For striking rear visibility.

ILLUMINATED TAIL LOGO

For a distinctive signature, day or night.

WHERE INTELLIGENCE
MEETS INTUITION

Step into a cabin designed to make electric driving feel natural. The Deepal S05 brings **smart technology, clean design, and everyday comfort together** in a **calm, modern space**. Key functions and information are centralised through the digital display, creating a simple, uncluttered environment that feels focused.

DESIGNED FOR MODERN DRIVING

AUGMENTED REALITY HEADS-UP DISPLAY

Key driving info projected onto your windshield for seamless focus.

INTELLIGENT HIDDEN AIR OUTLETS

Discreet, elegant, and optimized for all-climate comfort.

YACHT-STYLE CENTRAL CONSOLE

A fluid design that blends form and function, with every control in reach.

True comfort is engineered. Thoughtful materials, intelligent ergonomics, and customizable ambiance come together to create a cabin that adapts to you - reducing fatigue, enhancing focus, and making every journey feel effortless.

SMART DETAILS THAT MAKE THE DIFFERENCE

POWER ADJUSTABLE LUMBAR SUPPORT DRIVER SEAT

Supports your lower back for improved comfort and reduced fatigue.

64-COLOR AMBIENT LIGHTING

Set the tone to fit your mood.

HIGH-RESILIENCE ECO SEATS

Long-ride comfort without compromise.

DESIGNED AROUND YOU

The Deepal S05 interior is built for how you drive. Everything is **arranged with intention**, bringing **key technology** and **everyday usability** together in a space that feels modern and easy. It's focused, connected, and ready for wherever the day leads you.

DETAILS THAT MATTER

ADAPTIVE AUTO-DIMMING REARVIEW MIRROR

Automatically reduces glare for clearer night driving.

HEATED & VENTILATED FRONT SEATS

Year-round comfort tailored to changing conditions.

ZERO-GRAVITY CO-PILOT SEAT

4-way powered seat, 2-way leg rest, and 124° recline for a more relaxing ride.

ACOUSTIC DOUBLE-GLASS FRONT DOORS

Silence that speaks volumes.

Every control falls naturally to hand, technology integrates effortlessly, and the atmosphere remains calm and refined. **Modern driving**, thoughtfully resolved.

SILENT SOPHISTICATION, BUILT AROUND YOU

ELECTRIC UNLOCK FOR ALL DOORS

Instant ease from the inside out.

GENEROUS FRONT + REAR STORAGE

Front boot, trunk and ample internal storage spaces.

ELECTRIC SEAT ADJUSTMENTS (FRONT)

Because comfort should always be customizable.

MULTI-FUNCTION STEERING WHEEL WITH INTEGRATED SHORTCUT CONTROL

Seamless access to key functions, right at your fingertips.

INTELLIGENCE, IN SYNC WITH YOU

The Deepal S05 offers advanced technology and redefines what it means to be in sync with your vehicle.

At the heart of this experience is the **Deepal Smart OS**: an intelligent, AI-powered interface that learns your lifestyle, your rhythm, and your needs.

With a **rotating 15.4" touchscreen** center console,

navigation, media, and vehicle settings are just a tap away on a crystal-clear, ultra-responsive display built for your world.

NEED SOMETHING? JUST SPEAK.

The **Deepal Voice Assistant** listens, understands, and responds instantly. Whether adjusting the climate, changing the music, or guiding your route, your voice becomes the command center of the drive. It also helps you stay one step ahead, alerting you if you leave your phone behind.

And with **wireless Apple CarPlay** and **Android Auto**, your digital life stays synced, seamless, and cable-free.

CONNECT WITHOUT LIMITS

Say **“Hello Deepal”** and your car responds like a trusted companion. Whether you’re cooling the cabin before you even step in, checking your battery while you’re on the go, or receiving the latest upgrades wirelessly, Deepal technology makes every moment feel smarter, smoother, and more personal.

DEEPAL SMART WATCH
lock/unlock or start your vehicle.

OUTSIDE SPEAKER SYSTEM
Project your sound beyond the cabin with clarity and control.

VOICE WAKE + COMMAND
Simply say “Hello Deepal” to take control with your voice.

OVER-THE-AIR UPDATES
Your vehicle gets smarter over time, with new features and improvements sent remotely.

BUILT-IN WI-FI
Seamless internet access on the go.

AN EXPERIENCE, ALL AROUND YOU

From theater-like sound to seamless connectivity across multiple screens, this smart cabin is built to entertain, energize, and elevate. Whether you're swiping through settings or switching cabin modes, everything responds to your vibe - effortlessly and intelligently.

PANORAMIC 14 SPEAKER AUDIO SYSTEM

Rich, immersive surround sound for every journey.

SMART CABIN ENTERTAINMENT

Stream your favorites.

MULTIPLE CABIN MODES

Customize your environment for work, relaxation, or fun.

REMOTE STRAIGHT-LINE PARKING

Easily guide the vehicle straight into or out of tight parallel or garage spaces using your key fob.

50W WIRELESS CHARGING DOCK EQUIPPED WITH VENTILATION FUNCTION

Stay powered without the mess of cables.

SEE THE ROAD DIFFERENTLY

The Deepal S05 enhances your awareness, amplifies your safety, and puts control in your hands and your line of sight.

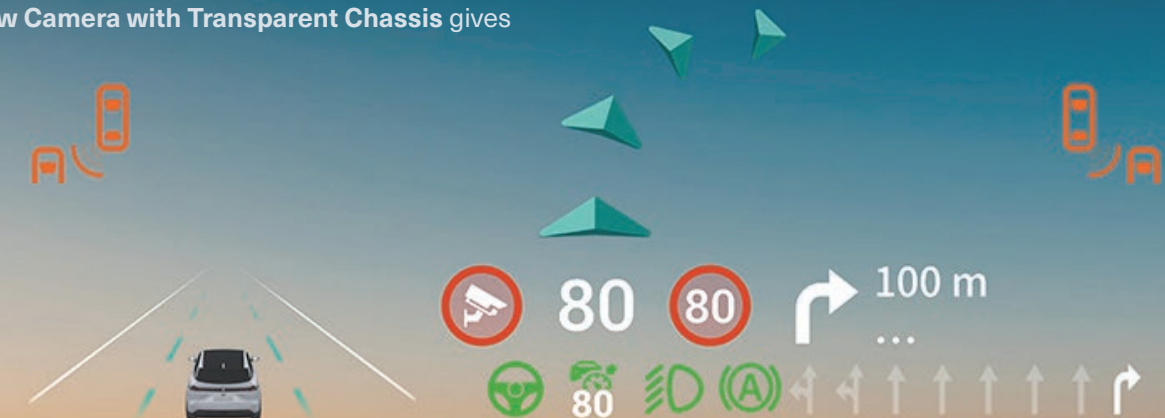

Experience **Real-Time Navigation with Augmented Interface**, here live camera views and clear on-screen arrows guide you exactly where to turn, while intelligent route updates help you stay focused and confidently in control.

Whether it's a tight corner or a hidden obstacle, the **3D Around View Camera with Transparent Chassis** gives

you a complete picture of your surroundings, eliminating blind spots and surprises.

The **Digital Instrument Cluster** is all about you fully customizable, beautifully crisp, and ready to display exactly what you care about.

And because every journey is a memory, the built-in **Digital Video Recorder** captures your drive in stunning clarity from epic road trips to everyday adventures.

DESIGNED TO MOVE YOU SAFELY.

Confidence comes standard in the Deepal S05. Thoughtfully engineered and equipped with intelligent safety technologies, it's designed to protect your journey and the moments that matter.

SAFETY, SEAMLESSLY INTEGRATED

- **Integrated Safety Frame**
Designed to absorb impact and maintain cabin integrity.
- **Airbag Array**
Eight-way protection across driver, passengers, and full side curtains.
- **Driver Fatigue Monitoring System**
Monitors driver alertness and provides timely warnings when signs of fatigue appear.
- **Battery Safety Monitoring**
Total thermal and electrical protection, even in extreme conditions.
- **Child Safety Suite**
ISOFIX anchoring + Electronic child lock = family-first design.
- **Tire Pressure Monitoring (Direct Type)**
Precision monitoring helps prevent blowouts before they happen.

DYNAMIC CONTROL SYSTEMS

Stability That Reacts in Real-Time

- **ABS** – Anti-lock Braking System
- **EBD** – Electronic Brakeforce Distribution
- **ESP** – Electronic Stability Program
- **BA** – Brake Assist
- **TCS** – Traction Control System

From Street to Slope

- **HHC** – Hill Hold Control
- **HDC** – Hill Descent Control

PROTECTION, PERFECTLY INTEGRATED

PREDICTIVE WHERE IT MATTERS. SUPPORTIVE WHEN IT COUNTS.

Collision Avoidance Suite

- Front Collision Warning (FCW)
- Automatic Emergency Brake (AEB)

Advanced sensors continuously monitor the road ahead, helping you respond sooner and more confidently in unexpected situations.

Lane Control Intelligence

- Lane Departure Warning (LDW)
- Emergency Lane Keeping (ELK)
- Lane Keeping Assist (LKA)
- Lane Change Assist (LCA)

Designed to provide gentle corrective support, keeping you aligned and focused on the journey ahead.

360° Safety Senses

- Blind Spot Detection (BSD)
- Rear Cross Traffic Alert (RCTA)
- Reverse Lateral Emergency Braking (RCTB)
- Rear-End Collision Warning (RCW)
- Safe Exit Warning (SEW)
- Overspeed Warning (OSW)
- Safe Distance Warning (SDW)

Comprehensive monitoring systems enhance awareness in every direction, whether you're navigating traffic or pulling away from a curb.

EVEN THE STOPS ARE SMARTER.

Advanced Parking Intelligence

- Remote Straight-Line Parking
- Front + Rear Parking Sensors
- Visual + Sound Parking Reminders
- Parking Brake Modes

Intelligent Cruise & Adaptive Control

- Adaptive Cruise
- Traffic Sign Recognition
- Lateral Deviation Control

DEEPAL S05
Protection, integrated by design.
Because the road ahead deserves
your full attention.

PURE ENERGY. TOTAL CONTROL.

Step into a new era of driving where performance is electrifying, yet effortless. The Deepal S05 delivers thrilling acceleration, precision handling, and a near-silent ride, all wrapped in a clean energy experience. With a long-range battery and highly efficient energy use, it's the SUV that goes the distance without compromise.

- DC FAST CHARGING
(30–80% in 15 minutes)

SILENT DRIVE SYSTEM for maximum comfort

470 KM Driving Range

0–100 KM/H IN 7.3 SECONDS - punchy, precise acceleration

320 NM peak torque for dynamic response
